Note regarding **Kindergarten Rhyme Time** and **Trick Words** modules:

- Students are allowed two attempts per question. Items are marked wrong after a second incorrect attempt.
- Students are allowed to complete these entire modules multiple times. Item responses for each subsequent attempt of the module are appended to this single item response list in Grade Editor. Scroll down to view most recent responses.
- The program reports a student's most recent score.

The **Class Statistics tab** summarizes how the student is performing in comparison to the rest of the class. The bottom of the window lists class performance on each question. Click the arrow to the left of each question to view the percentage of students who chose each possible answer.
